**ORDINANCE NUMBER 0-14-20**  
**CITY OF FAYETTEVILLE, GEORGIA**

**PREAMBLE AND FINDINGS**

**AN ORDINANCE OF THE CITY OF FAYETTEVILLE**

Whereas, the City of Fayetteville has an interest in maintaining the public safety and general welfare of the City of Fayetteville and its visitors; and

Whereas, the City of Fayetteville is committed to creating a safer city by reducing crime, working to ensure the safety of its citizens and fostering a relationship of trust and partnership within the community; and

Whereas, O.C.G.A 36-32-6 grants municipal courts concurrent jurisdiction to try and dispose of cases where a person is charged with possession of one ounce or less of marijuana when the offense occurs within the corporate limits of the City of Fayetteville; and

Whereas, currently there is no ordinance setting the punishment for possession of less than one ounce of marijuana within the corporate limits of the City of Fayetteville as authorized by the State of Georgia, and

Whereas, enactment of an ordinance concerning the offense of simple marijuana possession within the City limits is intended to enhance public safety and eliminate costs by reducing the amount of time police officers spend in connection with the arrest, processing, and transportation of those accused of simple marijuana possession; and

Whereas, enactment of an ordinance concerning the offense of simple marijuana possession is further intended to prevent people from entering the criminal justice system and avoiding the enduring stigma associated therewith; and

Whereas, it is the desire of the City of Fayetteville to specifically provide that a person convicted of such violation shall be punished by a fine not to exceed \$500.00 and shall not be punished by a term of any imprisonment.

Whereas, the City of Fayetteville is aware that 1 in 6 people under the age of 18 who use marijuana can become addicted, that more teenagers in Georgia enter treatment for addiction to marijuana than all other substances combined, and that quality education about marijuana can help teenagers make good decisions.
